

Bed Bath & Beyond Launches The ED Ellen DeGeneres Bedding Collection

May 4, 2016

UNION, N.J., May 4, 2016 /PRNewswire/ -- **BED BATH & BEYOND**® is excited to announce the launch of the ED Ellen DeGeneres™ bedding collection. The collection is reflective of DeGeneres's personal style and design aesthetic, now available exclusively at Bed Bath & Beyond.

The collection features six bedding patterns that consist of geometric prints mixed with botanicals, artisanal stitch work details, and washed textures. DeGeneres's passion and keen eye for interior design inspired the beautifully designed, high-quality bedding collection. The line brings whimsical charm and sophisticated comfort for everyday living. The collection ranges in price from \$49.99 for decorative pillows to \$169.99 for a king size duvet cover.

"I am excited to launch my bedding collection exclusively with Bed Bath & Beyond. I created this beautiful, comfortable and sophisticated collection for everyone!" stated DeGeneres.

"We are excited to exclusively offer our customers the ED Ellen DeGeneres bedding collection and to be working with a talent of Ellen's caliber," said Art Stark, President of Bed Bath & Beyond. "The collection appeals to our customers who are looking to update their home with quality, well-designed bedding inspired by Ellen's design aesthetic."

The collection is licensed and manufactured by Revman International. The collection is now available in stores and at www.bedbathandbeyond.com/ed.
